CERTIFICATION UNDER SECTION 1151 OF THE
AMERICAN RECOVERY AND REINVESTMENT ACT

1. I, Mark Parkinson, Governor of the State of Kansas, hereby certify that the infrastructure investments of public institutions of higher education listed below and funded with amounts appropriated by the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009) ("ARRA"), Title XIV under the heading State Fiscal Stabilization Fund administered by the United States Department of Education have received the full review and vetting required by law and that I accept responsibility that such investments are an appropriate use of taxpayer dollars.
2. I further certify that the specific information required by section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided on the Kansas website, and is available to the public at <http://www.governor.ks.gov/recovery/> and is linked to recovery.gov.
3. I am executing this Certification in accordance with Title XV, Subtitle A, Section 1511 of the ARRA. I understand that the State of Kansas may not receive ARRA infrastructure investment funding unless this Certification is made and posted.

This is the 27th day of April, 2010.

Mark Parkinson
Governor

With regard to the public institutions of higher education in Kansas with independent governing boards (community and technical colleges), infrastructure investment projects were approved by their independent governing boards and each institution's CEO signed an assurances document titled "Education Stabilization Fund Award Conditions on Receipt of and Use of Awarded Moneys" (signed documents are on file at the Kansas Board of Regents office). These projects were reported to the Kansas Board of Regents as of April 23, 2010.

The table below lists the public institution of higher education, a description of the investment, the estimated total cost of the investment, and the amount of ARRA funds to be used in State Fiscal Years 2009-2010 for the investment.

Kansas Board of Regents
State Fiscal Stabilization Fund Education Stabilization Fund Infrastructure Projects
Pursuant to Title XV, Subtitle A, Section 1511
American Recovery and Reinvestment Act of 2009

An infrastructure investment is financial support for a physical asset or structure needed for the operation of a larger enterprise. Therefore, infrastructure investments include support for tangible assets or structures such as roads, public buildings (including schools), mass transit systems, water and sewage systems, communication and utility systems and other assets or structures that provide a reliable flow of products and services essential to the defense and economic security of the United States, the smooth functioning of government at all levels, and society as a whole.

Institution	Project Description	Estimated Total Project Cost	Project Estimated ARRA/SFSF
Community Colleges			
Cowley County Community College	Replacement of room dividers in the Wright Community Room.	\$36,000	\$36,000
